Hires- Infosecurity Event

A world leader in Security, Application Delivery and Data Protection Solutions hired our HD Golf Simulator for the event to help attract visitors to their booth.

The event held at the Olympia, London is the largest of its kind in Europe and visitors at the exhibition were drawn to the Simulator, where staff could speak to them while they hit a few shots.

Our indoor housing unit was designed to allow Barracuda to attach their own branding for the event.

Luxury Brand Show- Broadgate, London

Sports Coach Simulator Limited were invited to take part in the Luxury Brand Show in the beautiful bustling location of Broadgate Circle/Exchange Square in the heart of London.

Here we had a chance to showcase our HD Golf Simulator with inflatable housing structure for outdoor events as well as providing a unique form of entertainment to guests and visitors throughout.

The Show itself offers something for everyone from retail therapy to performance cars, art to private cinemas, health, well-being and property all in one location.

Ultimate Studio Golf Simulator- Lessons

Our Ultimate Studio Golf Simulator is now being used at indoor golf centres around the world by Professionals who are providing one on one lessons.

The Ultimate Studio Simulator uses cameras to record your swing from two set positions allowing the pro to replay your shots back to you.

Main advantages:

A- you are not exposed to bad weather.

B- you are not holding up other golfers on an actual Golf course.

PGA Show Orlando- GPS & David Leadbetter

Our GPS Golf Simulator was also present at the PGA Show in Orlando where it was hired out and used at Epson's booth.

Visitors were greeted by none other than David Leadbetter, who was on hand to provide lessons and coaching to those who used the Simulator.

With over 200 courses, various game modes and comprehensive in game practice capabilities our HD Golf Simulators are ideal for both private and commercial use.

The Elite Show- London Biggin Hill Airport

Sports Coach Simulator Limited were invited to take part in the Elite London Show, to showcase our HD Golf Simulator as well as to provide a unique form of entertainment for visitors to the show.

The show itself set on the grounds of London Biggin Hill Airport aims to compliment the jet-set lifestyle theme, celebrating the luxury lifestyle world by showcasing the finer things in life.

Visitors to the show were treated to a selection from the world's most respected products which included our HD Golf Simulator.

Developments- Unmanned Golf System

Our Unmanned Golf System is now available and allows clients to easily control several unmanned Golf centres from an office or home, maximising profitability as there are no staff costs involved.

The Unmanned system allows automated online bookings and access to unmanned facilities 24 hours a day.

The system consists of three main components:

- 1- An online website allowing for bookings and payments
- 2- A local application that retrieves and manages bookings
- 3- An access control mechanism that grants access to the facility
